

Audio-Visual Packages

Package 1 (Speakers, Mic & Stand): \$150

Package 2 (Speakers, Mic, Stand, Projector & Screen): \$250

Packages Include:

- Dual 2-Way Powered PA Speakers with tripod stands.
- Microphone with cable and microphone stand.
- Projector with table/stand and HDMI and audio cables (Package 2 only).
- 100" projector screen with tripod stand (Package 2 only).
- Set-up and take-down of system. *

Requirements & Conditions:

1. Client must notify their venue manager at least 7 days in advance.
2. If only using the speakers, client must provide either a laptop or Bluetooth device with the audio files.
 - The Bluetooth range is limited, so the device will need to stay close to speakers.
3. If using the projector, the client must provide the following:
 - Laptop computer with an HDMI port.
 - Any media to display on the projector (video, images, slideshow, etc.).
 - For slideshows, we recommend using a PowerPoint file (.PPT or .PPTX).
4. * Bull Meadow will connect all supplied equipment, except client's devices.
 - For Projector, client will be supplied with a 6-foot HDMI cable.
 - For Speakers, client will be supplied with a 20-foot 3.5mm audio cable.
5. Projector screen is easier to view after dark and/or with the lights off.
6. Clients are responsible for any client-side media issues, but Bull Meadow will try to assist.
