

Vendor License and Insurance Requirements

The following vendor license / insurance requirements are required by our property insurance policy, to protect against any property damages or bodily injuries that may occur while performing services at The Barn at Bull Meadow and are non-negotiable.

Food Vendors

All vendors providing food at The Barn at Bull Meadow, such as bakers and caterers need to provide us with a valid copy of their restaurant / baking / catering license and a copy of their general liability insurance, listing "The Barn at Bull Meadow" as an additional insured. The general liability insurance needs to cover \$1 million per occurrence and \$2 million aggregate. In lieu of the general liability insurance, the vendor may provide us with a signed "Lack of Insurance Waiver" (see below). For events where food is picked-up or dropped-off, we still highly recommend that the client obtains a copy of the vendor's general liability insurance with "The Barn at Bull Meadow" listed as an additional insured, but as an alternative they can provide us with a signed "Food Pick-Up or Drop-off Lack of Insurance Waiver". For a copy of that waiver, please contact your wedding or event coordinator.

All Other Vendors

All other vendors, except wedding officiants, need to provide us with a copy of their general liability insurance, listing "The Barn at Bull Meadow" as an additional insured. The general liability insurance needs to cover \$1 million per occurrence and \$2 million aggregate. In lieu of the general liability insurance, the vendor may provide us with a signed "Lack of Insurance Waiver" (see below).

Lack of Insurance Waiver

In lieu of the general liability insurance, the vendor may provide us with a signed "Lack of Insurance Waiver", which says that the vendor agrees to be responsible for any property damages or bodily damages caused by themselves, their equipment, their products, or their employees while performing services at The Barn at Bull Meadow. For a copy of the "Lack of Insurance Waiver" please contact your wedding or event coordinator.

Special Event Insurance Options

For vendors who are lacking general liability insurance, they can purchase this insurance for a single day through an insurance agency, or one of the following websites:
