

# Farm Table Rentals

Bull Meadow offers farm tables for guest seating, which can either replace or complement our standard round guest tables.

On the following pages, you will find some layout options that work best for your estimated guest count (100 and above). Guest counts less than 100, including micro-weddings, can be more flexible with layout (i.e. layouts can compromise of all farm tables if you wish). Final layouts will be established with your coordinator.
