**About Us:** Great Events Catering of New Hampshire is a part of the Fratellos & Homestead NH restaurant group. Established in 2016, it has built a strong reputation as one of the leading catering companies in New Hampshire.

At Great Events Catering of New Hampshire, nothing pleases us more than to watch our guests indulge in our food, relax at their own event and leave satisfied with cravings for their next event with us. Our mission is simple: provide delicious food, fresh and creative menu options and a distinctive second-to-none service experience. We are passionate about the food we provide and proud of the services we offer.

**Cuisine Information:** While our restaurants specialize in both Italian and country home favorites, we offer much more than that on our menu and we are always happy to brainstorm other culinary creations to fit the theme or style of the event you are hosting. Our chefs enjoy being creative and providing you with a menu that will complete your wedding day dream.
